EMERGENCY AUTHORIZATION: Please initial each paragraph and sign below!

Treatment & Transportation: I, the parent/guardian, authorize the school's representative to transport and request and authorize treatment for my child in the event of an accidental injury or illness, when a parent/guardian cannot be reached in an emergency situation. I agree that we will not hold this person liable while he/she is acting according to these directions: **Parent/Guardian initial:** _____

Medical Assistance: I, the parent/guardian, authorize the school nurse in writing to assist our child in the taking of medications at school. The medications should be delivered directly to the school nurse's office. The medication must be in the **original** container, with the pharmacy label on it. The label must contain the student's name, the drug's name, the dose, the time the medication is to be given, and the prescribing physician's name. **Students are not allowed to carry medications.** All medications must be left in the nurse's office in the original containers. Inhalers may be kept by the student after a signed permission slip is received from the prescribing physician and the parent/guardian.
Parent/Guardian initial: _____

Field Trip Medication Authorization: I, the parent/guardian, authorize the staff to give my child medications and medical treatments on field trips. The nurse will give the medications and instructions to the staff member prior to the field trip.
Parent/Guardian initial: _____

Contact Doctor/Dentist: I, the parent/guardian, understand that communication between the physician /dentist and the school's health office is necessary for the purposes of sharing information regarding dosage, administration, and effectiveness of medication and I give my authorization for such communication to occur. I also authorize the school nurse to receive copies of necessary paperwork (such as copies of new immunizations, etc.)
Parent/Guardian initial: _____

Over the Counter Medications: I, the parent/guardian, authorize the school nurse to treat minor injuries or illnesses with the following over-the-counter medications. You may **decline** any of the following items by **crossing them out:**
